Sponsorships

Sponsorships are in the form of pavement bricks. These engraved bricks will be the heart of a beautiful garden, commemorating the Rotary Club Centennial, to be located beside the new City Courthouse on Erie Street. This area will provide a much needed outdoor space to sit and relax as well as link the court's parking and main entry.

The profits from the sale of the engraved bricks will support Rotary's community service programs.

The engraved bricks make wonderful gifts for birthdays, anniversaries, graduation, retirement and memorials.

The engraved bricks are a great form of advertising for local businesses.

Adding a symbol to your brick is a great way to make your brick stand out from the rest.

The Rotary Club of Willoughby wants to thank you in advance for your purchase of an engraved brick.
