From President Dave

Our Willoughby Rotary Ball has become one of the most enjoyable benefit and social events in Lake County. I urge your participation and attendance as this year's ball is destined to be a most enjoyable and memory filled evening. Our club's ball has helped over 20 charities in the area live their mission, in part, due to our help and support. There is never a more apropos use of Rotary's motto: "Service Above Self" than during the annual ball. However, there's also the great side benefit of marvelous socialization amongst wonderful friends. Through the years I've often heard that the camaraderie, laughter and obvious warm fellowship is evident throughout the evening – I concur!

This year – pledge to enjoy, laugh and extend a hand in fellowship by attending, supporting the raffle and if the item is right, put in a generous bid on one of the many auction items generously donated to support this years event. Looking forward to a marvelous evening in "Our Home Town".

My Best Regards,
